### Plus our regular in-depth features

- **Material Solutions**, by LTC Worldwide's Richard Neale will target issues concerning linen rental businesses as well as OPL in healthcare and hospitality, enabling best practice in linen management across the board.
- **What Went Wrong** is extending into the wetcleaning arena as well as drycleaning to help retail businesses identify and deal with problems and issues when processing textiles.
- **Trade Secrets** gives the lowdown and heads-up on specialist drycleaning in monthly training sessions by Roger Cawood
- **Howard's Way** will continue to entertain and divert as we draw on Howard Bradley's long experience in retail drycleaning.
- **Spotlight** which appears in international editions, will focus on different textile care markets around the world.

As well as our popular regular features, LCN will also be ferreting out news, views and innovation around the industry when and where it happens. The 2023 LCNi offering will also include Clean Cruising and Hotel OPL, finely targeting the cruise laundry and on premise hotel laundry markets

Deadline for editorial copy and artwork is 12th of the month preceding publication (or the first Monday after 12th if that falls over a weekend).
